

A modern interior space featuring large windows with a light-colored, textured glass treatment. A large, multi-tiered crystal chandelier hangs from the ceiling. In the foreground, a glass-topped table is set with three tall, clear glass vases containing white calla lilies. The overall atmosphere is bright and sophisticated.

FILTRASOLAR

Brinda privacidad y protección solar en el día, sin perder la vista al exterior, en la noche el proceso es invertido, se recomienda para áreas comunes.
